Bellwether Farm offers a summer camp where school-age children can immerse themselves in fun, engaging activities. These programs will seek to teach healthy social, nutritional, and environmental practices, while providing a safe context in which to encounter God's beautiful creation. Campers will have an opportunity to learn about organic gardening, animal care, and creative cooking. They will also participate in traditional camp activities including swimming, canoeing, arts and crafts, fishing, field games, and archery. The Bellwether Farm staff is invested in the life of every camper, seeking to inspire future generations to become passionate leaders in the world around them. You can find more information about day camp and overnight camp in the FAQ section of our website: bellwetherfarm.com.
