Attendance

Regular attendance by all students is very important. In many cases, irregular attendance is the major reason for poor schoolwork; therefore, all students are urged to make appointments, do personal errands, etc., outside of school hours. Reasons for which students may be excused include, but are not limited to: **Personal illness of the student; Illness in the student's family; Needed at home to perform necessary work directly and exclusively for parents or legal guardians (applies to students over 14 years of age only); Death in the family; Quarantine for contagious disease; Religious reasons; Traveling out of state to attend a Board-approved enrichment activity or extracurricular activity (applies to absences of up to 24 school hours) or as determined by the Superintendent.**

When your child returns to school from being absent, please provide a note explaining the reason for the absence. If going to the Dr. remember to get an excuse from their office.

We would like to thank our Veterans for their service to our country. Veterans Day is a federal holiday in the United States observed annually on November 11, for honoring military veterans, that is, persons who have served in the United States Armed Forces. Please join us in saying **THANK YOU TO THOSE WHO HAVE AND ARE SERVING OUR COUNTRY.**
