

Whitney Field Work Day

We are more than half done. Let's finish the job this Saturday, June 24th beginning at 8:00 a.m. and ending at noon at Whitney Field. Bring yourself, your work gloves and a willingness to work.

The seat and kickboard wooden planks were removed and now the floor boards must go. We need help to finish the job. We need individuals to operate ratchet wrenches and workers to carry the planks.

We are so thankful to those who worked this past Saturday. We are so proud of the many people answering the call to help. Thank you to the community of Norwalk for stepping up and getting the job done. Thank you!
