Misc

Scholarships are open but no one has applied in a number of years. Discussion occurred on possibly changing from people majoring in music to only needing to minor in music to receive. It was suggested that a committee would need to be formed for approval of the scholarships. More discussion will occur about changes in the fall/winter.

Membership mailers will be going out soon. This will also include information on feeding the bands.

Band Camp is set up. Catherine has the menu ready and will begin looking for the volunteers needed. It was approved for popsicles to be given out one of the days at camp.

Officer position of Secretary was voted on and Miranda Santiago-Zurcher was elected.

Geotrac Foundation has requested that future requests are submitted by August and they prefer to have the exact dollar of what is needed.

The 4th of July parade will have 2 watering stations this year. One at Walnut and Norwood and the other at the fairgrounds. We will need 6 volunteers at the first and 2 at the last.

All the teachers stated they appreciate all of the support throughout the school year and thank you.

Mrs. Mason

There will be 9 new select choir members next year. The Boosters approved the purchase of uniforms which will be a cost of ~\$850-1000.

Mr. Kish

The VFW donated \$2,000 towards the band uniforms. The check was made to the school so we will need to bill the school when ready to make the purchase. Mr Kish will help with what is needed for this.

Ms D'Aliberti

Middle School band camp is June 6-9. The Boosters will be working with Sandusky Boosters to coordinate pizza being served on the 9th. On the other days a snack will be provided at the end of camp.

Geotrac has made a donation to allow our school to commission a piece of music with a clinician. This will be a very exciting addition for the students to be involved in.
