 4. The person authorized to administer the drug receives a copy of the statement described above.
 5. The drug is received by the person authorized to administer the drug to the student for whom the drug is prescribed in the container in which it was dispensed by the prescribing physician or other licensed professional.

Inhalers

Students have the right to possess and use a metered-dose inhaler or a dry-powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms. The right applies at school or at any activity, event or program sponsored by or in which the student's school is a participant. In order for a student to possess and use an inhaler he/she must have written approval from the student's physician and parent or other caretaker. The administration and/or the school nurse must have received copies of these required written approvals.

The physician's written approval must specify the minimum following information:

1. The student's name and address.
2. The name of the medication contained in the inhaler.
3. The date the administration of the medication is to begin.
4. The date, if known, that the administration of the medication is to cease.

1. Pass at least five (5) credits during the grading period prior to his/her participation with at least a 1.5 G.P.A.
2. Grades will be checked and an eligibility list will be compiled each Friday from the beginning of the season and until the season is completed (through OHSAA tournament). Any participant receiving two or more "F's" on the weekly eligibility list is automatically ineligible Monday through Sunday of the following week. An athlete who raises a failing grade the week in which s/he is declared ineligible will be deemed eligible for the remainder of the week. It is the responsibility of the student-athlete to notify the Director of Student Activities if a failing grade is improved.
3. Students who miss part of the school day due to illness must be in attendance by 11:00 A.M. in order to play a contest or practice on that date. An exception to this rule may be granted in advance by the building principal or assistant principal. Students missing school for reasons other than illness must have an excused absence in order to participate.

Discipline for Major Rule Infractions

The tobacco, drugs, and alcohol section of the major rules and regulations will be in effect for twelve months a year. Refer to Athletic Handbook for detailed policy.

ATTENDANCE

Regular attendance by all students is very important. In many cases, irregular attendance is the major reason for poor schoolwork; therefore, all students are urged to make appointments, do personal errands, etc., outside of school hours.

Reasons for which students may be excused include, but are not limited to:

1. Personal illness of the student
2. Illness in the student's family
3. Needed at home to perform necessary work directly and exclusively for parents or legal guardians (applies to students over 14 years of age only)
4. Death in the family
5. Quarantine for contagious disease
6. Religious reasons
7. Traveling out of state to attend a Board-approved enrichment activity or extracurricular activity (applies to absences of up to **24 school hours**)
8. As determined by the Superintendent

Each student who is absent must immediately, upon return to school, make arrangements with his/her teacher(s) to make up work missed. Students who are absent from school for reasons not permitted by State law may, or may not, be permitted to make up work. Each case is considered on its merits by the principal and the respective teacher(s). Students are requested to bring a note to school after each absence explaining the reason for the absence or tardiness.

The primary responsibility for the supervision of a child rests with his/her parent(s) or legal guardian.

When a student is absent from school, it is the responsibility of the parent or legal guardian to notify school officials of the absence and the reason for the absence. This notification will be followed up with a written note, to be turned into the main office within three days of the absence.

Parents should call the school every day the student is absent at 660-6501 before 8:00 a.m.

The Board does not believe that students should be excused from school for vacations or other nonemergency trips. The responsibility for such absences resides with the parent(s), and they must not expect any work missed by their child to be retaught by the teacher. If the school is notified in advance of such a trip, reasonable efforts are made to prepare a general list of assignments for the student to do while he/she is absent. Application for extended absence forms are available in the

office and must be filled out prior to any extended trip.

Student Drivers are subject to a hearing to deny a student's driving privileges if that student of compulsory school age has been absent without legitimate excuse for more than **60 consecutive hours during a school month** or a total of at least **90 hours during a school year**.

College Day Visitation/Military Visitation Request

1. A College Day Request/Military Day Request form must be obtained by the student. This form must be signed by all of the student's teachers indicating that arrangements have been made for make-up work.
2. This form must be approved by and returned to the office prior to the College Day/Military Day requested for it to be eligible for an excused absence.
3. A signed statement on college stationary from an admissions representative of the campus visited or a signed statement on military stationary from the local or district recruiter visited must be turned in to the office.

General Information Regarding Attendance

1. **Absence Slip:** When a student returns to school following an absence, he/she is required to bring a note from his/her parent or legal guardian. This note must be submitted to the office within three (3) days after the absence and it must contain the following information: student's name, date of absence, specific reason for absence, and signature of parent or guardian.
2. **Doctor's Excuse:** When a student is absent more than (70) hours during a school year, whether it is documented as an excused or unexcused absence, school officials may require a doctor's excuse for the remainder of the school year.
3. **Early Dismissal Slip:** This slip will be issued in response to a written request by a parent/legal guardian or on an emergency basis.
4. **Eighteen Year Old Students:** Students who are eighteen (18) years old are subject to the same rules and regulations as all other students.
5. **Excused Absence:** Students receiving an excused absence will be provided the opportunity to make up all missed work with credit. It is the student's responsibility to contact the teacher to obtain missed assignments. The minimum amount of time allowed for make-up work, will be equivalent to the number of days the student missed.

6. **Perfect Attendance Awards:** Norwalk High School will recognize perfect attendance for those students with no absences or tardies on their record.
7. **School Activities:** Absences which result from any school sponsored activity (field trip, assembly, athletic event, or in-school restriction) will be considered as “in attendance” not as “absent.”
8. **Suspension:** Students suspended out-of-school will be considered as unexcused. Students will be provided an opportunity to receive missed work but teachers have discretion to grade the students’ work and offer points. Conversely, students who serve an In-School Restriction (ISR) will have all their assignments scored and full credit will be assigned.
9. **Tardy to Class:** Students arriving late to class, study hall or the cafeteria will be considered tardy, unexcused. Students absent from class for more than ½ the period without a pass will be considered truant.
10. **Tardy to School:** Students arriving late to school will report to the assistant principal’s secretary for an admittance slip.
11. **Tardy Slip:** Students arriving in the building after the start of first period are required to report to the office of the assistant principal, sign in, and receive a tardy slip. The slip should be given to the classroom teacher upon arrival in class. Students who arrive late to first period without a tardy slip should be sent directly to the office in order for them to obtain one.
12. **Truancy:** Truancy is declared when a student is absent from school for a day or any portion thereof without school authorization and parent consent. All students are required to sign out when leaving the building at a time other than their normal dismissal time.
13. **Unexcused Absence:** An absence from school will be considered unexcused when the school has not been properly notified, no written excuse is received within three (3) school days after the student returns to school and/or the reason provided does not conform to the excused absence policy. Students receiving an unexcused absence may be permitted to make up missing work, but credit may not be earned. **Note: Cutting classes and leaving school grounds** (without proper authorization) will be considered an unexcused absence subjecting a student to both the truancy provisions and discipline under the student code of conduct.

Truancy

Norwalk High School endeavors to reduce truancy through cooperation with parents, diligence in

investigating the causes of absence and use of strict guidelines in regard to tardiness and unexcused absence.

When the School determines that a student has been truant and that the parent, guardian or other person having care of a child has failed to ensure the child’s attendance at school, State law authorizes the School to require the parent to attend a specified educational program.

This program has been established according to the rules adopted by the State Board of Education for the purpose of encouraging parental involvement in compelling the child’s attendance at school.

On the request of the Superintendent, or when it comes to the attention of the school attendance officer or other appropriate officer of the District, the designated officer must investigate any case of supposed truancy within the District and must warn the child, if found truant, and the child’s parent in writing of the legal consequences of being a “habitual” truant.

A “habitual truant” is any child of compulsory school age who is absent without a legitimate excuse for **30** or more consecutive **hours**, **42** or more **hours** in one month or **72** or more **hours** in a school year.

The parent is required to have the child attend school immediately after notification. If the parent fails to get the child to attend school, the attendance officer or other appropriate officer, if directed by the Superintendent or the Board, must send notice requiring the child’s parent to attend a parental education program.

Regarding “habitual truants,” the Board must take as an intervention strategy any appropriate action contained in Board policy.

The Board directs the administration to develop intervention strategies that include **all of the** following **actions if applicable:**

1. Providing a truancy intervention plan meeting State law requirements for any student who is excessively absent from school
2. Providing counseling for a habitual truant
3. Requesting or requiring a parent having control of a habitual truant to attend parental involvement programs
4. Requesting or requiring a parent of a habitual truant to attend truancy prevention mediation programs
5. Notification to the registrar of motor vehicles or
6. Taking appropriate legal action.

The attendance officer provides notice to the parent of a student who is absent without excuse for 38 or more hours in one school month or 65 or more hours in a school year within seven days after the date of the absence triggering the notice. At the time of notice, the District may take any appropriate action as outlined in this policy as an intervention strategy.

Absence Intervention Plan

When a student's absences surpass the threshold for a habitual truant, the Principal or the Superintendent assigns the student to an absence intervention team within 10 days of the triggering event. The absence intervention team must be developed within seven school days of the triggering event and is based on the needs of the individual student. The team must include a representative from the student's school or District, a representative from the student's school or District who knows the student and the student's parent or their designee, and also may include a school psychologist, counselor, social worker or representative of an agency designed to assist students and their families in reducing absences. During the seven days while developing the team, the Superintendent or principal makes at least three meaningful, good faith attempts to secure participation of the student's parent. If the student's parent is unresponsive the District investigates whether the failure to respond triggers mandatory reporting to the appropriate children's services agency and instructs the absence team to develop the intervention plan without the parent.

Within 14 school days after a student is assigned to a team, the team develops a student specific intervention plan to work to reduce or eliminate further absences. The plan includes, at minimum a statement the District will file a complaint in juvenile court not later than 61 days after the date the plan is implemented if the student refuses to participate or fails to make satisfactory progress. The District makes reasonable efforts to provide the student's parent with written notice of the plan within seven days of development.

The absence intervention plan for a student may include contacting the juvenile court to have a student informally enrolled in an alternative to adjudication. The Board directs the Superintendent to develop written procedures regarding the use of and selection process for offering these alternatives to ensure fairness.

If the student becomes habitually truant within 21 school days prior to the last day of instruction of a school year, the District may either assign a school official to work with the student's parent to develop

an intervention plan during the summer and implement the plan no later than seven days prior to the first day of instruction of the next school year, or reconvene the absence intervention process on the first day of instruction of the next school year.

Filing a Complaint with Juvenile Court

Student Expectations

Due to the serious nature of the global COVID-19 pandemic, students are expected to fully comply with district, building and classroom protocols. As community health conditions change, the Norwalk City School District maintains the right to modify, amend or adjust protocols as necessary.

1. Students will wear masks at all times on school transportation.
2. Students will use assigned entrances to the school building and will report to designated areas when entering their building.
3. Students will follow social distancing guidelines in each building.
4. During the duration of the COVID-19 Pandemic, students will be allowed to carry a backpack throughout the school day.

Mask Guidelines

A mask is a cloth/fabric device or garment which is worn around the face and snugly covers an individual's nose, mouth, and chin, so as to reduce the spread of respiratory droplets that, in infected people, carry and spread COVID-19. A mask must be constructed, designed and worn in a manner commensurate with the purpose of reducing the spread of respiratory droplets.

- No bandanas
- Masks must be made of school appropriate materials
 - Materials and designs must be compliant with the school dress code
- Masks may not have holes or valves
 - No mesh, fishnet, etc.

DRESS CODE

While the Norwalk City Schools accepts the concept of freedom of choice in student dress and personal grooming, it also realizes its responsibility in setting reasonable limits beyond which a student's personal freedom is limited for the common good. A student shall not dress or appear in a fashion deemed inappropriate because it either (1) interferes with the student's health and welfare or that of other

students; (2) causes disruption or is determined to be vulgar and offensive; or (3) directly interferes with the education mission of the school. The following guidelines are established for Norwalk High School:

1. Shoes or sandals will be worn by all students while on school grounds.
2. Hats (including hoods on sweatshirts), bandannas, hair picks, and sweatbands will not be worn in the building nor displayed in any other fashion.
3. Short skirts and shorts, spandex shorts, pajama pants, and cut offs will not be allowed. All shorts, skirts, and dresses are to be at least mid-thigh length when a student is in a seated position. The belt line of all pants and shorts must be worn at or above the waist of the student. Undergarments shall not be visible.
4. The function of a top will be to cover the entire torso, shoulders, chest and back. Muscle/mesh shirts, spaghetti straps, tank tops, halter-tops, and apparel that are backless will not be worn. Midriffs and cleavage shall not be visible.
5. Clothing or buttons with inappropriate slogans that are sexually suggestive (either direct or implied) or that use inappropriate language is unacceptable. Illustrations or slogans dealing with alcohol, drugs, weapons and/or tobacco will not be permitted.
6. Sunglasses shall not be worn in the building unless prescribed by a physician.
7. Immodest or extreme styles of dress which may cause a disruption of the educational process will not be worn.
8. No ripped or torn clothing with holes will be permitted above mid-thigh when skin is exposed. Clothing purchased with rips, tears, or holes is no exception to this rule.
9. Coats and jackets are not to be worn in the building during school. All coats and jackets must be stored in the student's assigned locker.
10. Wallet, belt, waist, wrist, or neck chains are prohibited. Studded bracelets, necklaces and dog collars are also not allowed.
11. All body and facial piercings must be removed for classes where safety and hygiene is paramount: physical education, family consumer science, and industrial education.
12. Backpacks, book bags, gym bags, large purses etc. should be used to transport books, lunches, and other school related items to and from school. Students are NOT allowed to carry backpacks into the hallways and/or classrooms during school hours with the exception of athletic bags and/or band instruments. Athletic bags are to be kept in the athletic locker rooms.
13. Tablet bags are acceptable for students participating in the one-to-one program.
14. Outrageous hair styles or those that impede vision are not allowed.

15. Gang-related paraphernalia (symbols, jewelry, clothing, and written/oral communication) is not permitted.
16. Racially divisive messaging, images, or symbols (e.g., swastika, Confederate flag, etc.) are not permitted.

If in the opinion of the school officials the dress of the student is not appropriate, he or she will be sent home to change. If this causes an absence from class, the absence will be unexcused. If a student incurs a second dress code violation for the school year, he or she will receive additional discipline as indicated in the Code of Student Conduct. Student dress does have an effect on the learning atmosphere of the school and we hope to maintain this good atmosphere with this policy.

ELECTRONIC DEVICES/CELL PHONES

Students are permitted to possess the following types of electronic devices: cell phones, digital music players, e-readers, and personal/school issued computers. Possession of the permitted electronic devices is a privilege that can be revoked at any time throughout the school year for any student who fails to abide by the terms of the policy or otherwise engages in the misuse of the privilege. The student is responsible for the electronic device. Norwalk City Schools is not responsible for preventing theft, loss, damage or vandalism to the electronic device brought onto school property.

1. Electronic devices can be used during class change and during lunch.
2. Electronic devices cannot be used inside classrooms or during study halls unless there is an educational purpose for its use and the individual instructor grants permission.
3. Electronic devices cannot be used during school wide assemblies or during class meetings.

Devices that emit a sound must be turned to the silent position or tuned off as noises or loud vibrations interrupt the educational process. Pictures or videos may not be taken of any individual without their permission. Taking pictures, videos or audio in a restroom, locker room or similar setting is strictly prohibited, and violation may result in suspension or expulsion. If an electronic device is used in an inappropriate manner or emits a sound, the teacher will be responsible for confiscating the device and turning it into the office. Consequences may vary depending on administrative discretion. A parent/guardian may also be required to pick up the electronic device from the school. The administration may also refer matters to law enforcement if the violation involves an illegal activity. An electronic device will not be returned to a student or parent when the battery has been

removed. (Adoption date: January 22, 2002; Legal Ref.: ORC 3313.753)

Guidelines for Early Graduation

Graduation in three years is not encouraged and is viewed as the exception to the rule, granted only in very unusual circumstances. A student who wishes to graduate in three years needs to be aware of the following guidelines:

1. The student's parent or guardian must request permission for the student to graduate early (that is, at the end of the third year of high school) by April 1st of the year before graduation. This request should be in the form of a letter to the high school principal and should include the reasons that early graduation is desired.
2. After the high school principal has approved this request, the student and his/her family will consult with school officials concerning the scheduling of classes that will meet all graduation requirements.
3. All graduation requirements must be met.
4. Early graduates relinquish all rights and privileges to academic honors and awards.

Home Instruction

Any student absent from school for an extended period of time as a result of physical or emotional reasons is eligible to apply for home instruction. Information can be obtained by contacting the Board of Education office. Application forms must be completed by the parent or legal guardian and the attending physician.

Psychological Services

The Norwalk City School District employs school psychologists to provide special testing services.

Schedule Changes

Students are urged to take the course registration process very seriously. A student's schedule will be created based on the courses chosen during the registration process. Schedule changes will only be made due to scheduling conflicts and errors.
